A tradition of excellence...a future of success

**Block Transfer Policy for NJ Community Colleges
Effective Fall 2007**

- For transfer students who earn an A.A. or A.S. degree from a New Jersey community college with a cumulative G.P.A of at least 2.0, transcripts are evaluated such that the community college general education program credits will be transferred in full to satisfy a minimum of 45 (A.A.) or 30 (A.S.) credits of the GCU General Education Requirements.
- Only courses in which a grade of “C” or higher has been achieved are eligible for transfer.
- Courses transferred as part of the community college’s general education program that have GCU general education equivalents will be transferred as those equivalent courses. Other general education courses required by the community college will be transferred as general education electives.
- The three GCU signature general education courses are required of all students unless equivalent courses are accepted in transfer:
 - 1) Discovering the Bible (RS208) or Christian Tradition (RS220),
 - 2) Shaping Lives: Women and Gender (WS311),
 - 3) Philosophical Ethics (PL300) or Theological Ethics (RS334).
- All GCU students must earn a minimum of 51 credits in general education.
- Students who have not earned a total of 51 credits in the general education area after completing the three signature courses listed above must earn the remaining general education credits by choosing courses that satisfy general education categories for which the students did not transfer equivalent courses.
- General education courses required for the major program cannot be waived.
