Table of Courses Accepted in Transfer for Incoming Transfer Students
Effective Fall 2011
Updated June 20, 2011

This table applies to transfer students entering GCU without a NJ community college AA or AS degree.

Students who have earned a NJ community college AA or AS degree should refer to information regarding “block transfer” on the *Admissions/Transfer Students* webpage at www.georgian.edu.

This table cannot be used by current GCU students to determine equivalencies for courses not yet taken. Once enrolled at GCU, courses taken off campus must be directly equivalent to courses appearing on the *Master Course List for General Education Program and Graduation Requirements* available on the Office of the Registrar’s Web page at www.georgian.edu. Please refer to www.njtransfer.org for course equivalencies (update in progress).
