

Georgian Court University

step ahead

a program for High School Students to Earn College Credits

GEORGIAN COURT UNIVERSITY

A tradition of excellence...a future of success

The Step Ahead Program allows high-achieving high school students to earn college credits by taking courses on the Lakewood campus of Georgian Court University. You'll have the opportunity to enjoy important high school experiences while getting a jump on your college career.

You can use these credits to shorten the time spent in college or to gain greater flexibility with classes for an enriched college experience. Step Ahead also prepares you for successful college careers with early exposure to campus life and typical course content.

frequently asked questions

How old must students be?

The Step Ahead Program accepts students who are at least 16 years old or in 11th or 12th grade.

What is the cost?

The cost of tuition is \$198 per class, payable at the time of application and nonrefundable unless the application is rejected. Students are responsible for purchasing all required textbooks and supplies.

Do students have to pay any fees?

No fees are charged to you.

How many courses may students take?

You may only take one course per semester and three courses per year (fall, spring, summer I or summer II).

What must students do to be admitted?

Fill out the application form and return it with a check for \$198 made payable to Georgian Court University. We will evaluate your application and confirm your registration in the program subject to the requirements below.

What are the requirements?

You are expected to have a high school average greater than 82, or grades of "B" or higher in academic courses and courses related to the university course. You should be eligible for advanced placement and honors courses in high school. Continuation in the program is contingent on maintaining a 3.0 GPA or better in GCU courses.

Do I need to have computer skills?

Yes, our coursework includes the use of the Internet. Students can use the computer labs or their own computer.

university responsibilities

- Applicants will be evaluated based on school counselor/teacher recommendation and academic record.
- Depending on the course, the university will award 3 or 4 credits upon successful completion.
- The university will maintain an official transcript for each student.
- Students will be given access to the GCU campus, library, Web site, and computer labs.
- The instructor must submit grades to the GCU Office of the Registrar at the end of the course.

step ahead with credits

Students who enroll in Georgian Court University after high school will be able to transfer all credits compatible with their chosen course of study. Most colleges and universities, including GCU, will also accept these credits, as long as a grade of "C" or better is earned. You should contact your chosen college or university to determine whether credits will be accepted. In most cases, the institution will require an official Georgian Court University transcript for review.
